

QA Level 3

## First Response Emergency Care

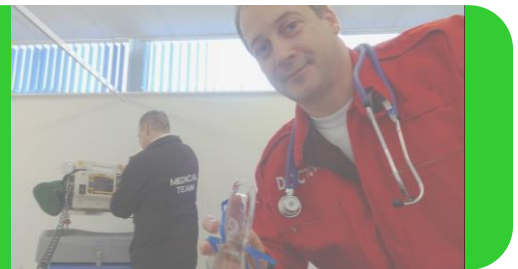

5, 3 or 1 day  
course

3 year  
certification

Ofqual regulated  
PHEM: Descriptor Level D

### FREC L3 course overview

Available as full, reduced contact time or assessment based training, **First Response Emergency Care Level 3** course is advisable for individuals requiring core pre-hospital competencies for use within a range of healthcare locations.

With a combination of theory & practical learning, this Ofqual regulated course is delivered at our **Rockingham Motor Speedway Training Centre** in Corby. Training delivered by active medical instructors. Post classroom learning, delegates are responsible for achieving a further 118 contextualised hours. On successful completion, certification is awarded & valid for 3 years.

**5 Day FREC** (full course)      **£500.00+vat**

**3 Day FREC (RPL)**              **£325.00+vat**

**1 Day FREC (assessment)**    **£150.00+vat**

(prices per person with lunch, maximum of 6 delegates)

Our scheduled 2016 training courses are:

**March 7-11<sup>th</sup>**

**August 15-19<sup>th</sup>**

**May 9-13<sup>th</sup>**

**December 5-9<sup>th</sup>**

*We can support delegates requiring assistance with medical placement to achieve contextualised hours required to complete FREC L3 with UK & overseas placement opportunities.*
