

QA Level 4

## First Response Emergency Care

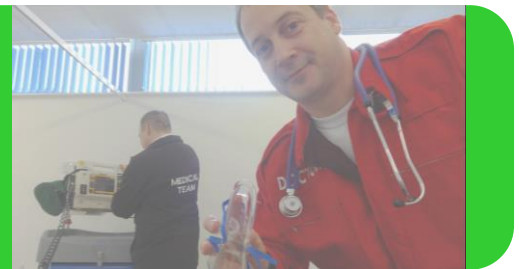

5 days  
course

3 year  
certification

Ofqual regulated  
PHEM: Descriptor Level E

### FREC L4 course overview

Continuing the FREC training syllabus, **First Response Emergency Care Level 4** course is advisable for individuals developing their pre-hospital competencies for use within healthcare locations. Direct access available for individuals with FREC L3, ECA, IHCD EMT, or CMT-1 qualification.

With a combination of theory & practical learning, this Ofqual regulated five day course is delivered at our **Rockingham Motor Speedway Training Centre** in Corby. Training delivered by active medical instructors. Post classroom learning, delegates are responsible for achieving a further 125 contextualised hours. On successful completion, certification is awarded & valid for 3 years.

**MG Training Centre**      **£585.00+vat**  
(price per person with lunch, maximum 6 delegates)

Our scheduled 2016 training courses are:

**July 4-8<sup>th</sup>**

**October 17-21<sup>st</sup>**

*We can support delegates requiring assistance with medical placement to achieve contextualised hours required to complete FREC L4 with UK & overseas placement opportunities.*
